

Appl. No. 10/627,198
Amendment dated July 21, 2005
Reply to Office action of January 21, 2005

Remarks:

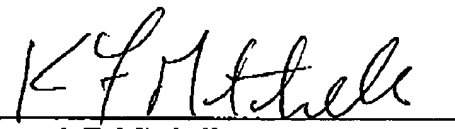

Claims 1-38 have been cancelled. Claims 39-143 have been added. Support for the claims is found on page 4, lines 4-25 and in the originally filed claims.

The Examiner objected to the title and suggested that the title be "Quetiapine Granules." Applicant respectfully submit that the title currently is "Quetiapine Granules."

The Examiner also objected to claims 7, 11, 12, 36 and 37. The Examiner rejected the claims based on double patenting of the "Same Invention" type. Applicant respectfully submit that this rejection is now moot as these claims have been cancelled.

In light of the above amendments and remarks, Applicant earnestly requests reconsideration and allowance.

Respectfully submitted,

Kenneth F. Mitchell
